The Principal and Parents and Citizens Association of Beaudesert State High School are proud to be able to extend to you the opportunity to take advantage of the school’s Student Resource Scheme. This scheme is authorised to operate under the Education (General Provisions) Act 2006 and Department of Education and Training Policy.

The scheme’s major purpose is to provide an extremely cost effective and efficient strategy to parents and students which:

- Reduces the heavy financial outlay for parents in providing a wide variety of student resources
- Eliminates shopping for books and resources
- Gives students a wide range of up-to-date resources
- Supplements consumable resources which are used to ensure real life learning experiences for our students
- Assists in maintaining a high level of technology across the school learning environment
- Accommodates a range of school based and workplace programs to enhance student skill development

It is timely to reflect that the Government supplies the tuition fees and basic general foundations for the delivery of student curriculum programs. However, as has always been the case, the cost of books and additional resources have been the responsibility of parents and students.

All monies raised through this scheme are expended directly on the students of the school on an annual basis.

Parents Experiencing Financial Difficulties
19. A parent wishing to participate in the Student Resource Scheme and experiencing financial hardship is encouraged to contact the principal to discuss how their financial obligations can be met throughout the school year, or to negotiate alternative arrangements that may be available to accommodate their individual circumstances. Centrelink deduction is a payment option offered by the school. All discussions will be held in the strictest confidence.
20. The onus of proof of being so affected is on the parent, and might include a current Health Care Card or other evidence to establish financial hardship.
21. Any concessions given to the participation fee will be at the discretion of the Principal.

Terms and Conditions of Participation in the Scheme
22. For the purposes of the scheme, where a student is living independent of his/her parents, reference in the terms and conditions to “parent” is a reference only to the independent student.
23. Where a parent chooses to join the scheme and completes a Participation Agreement Form, an annual participation fee will be due and payable by the parent to the Student Resource Scheme.
24. Where a parent chooses not to participate in the scheme, the fee will be provided to the participating student with textbooks and/or resources, consumables and materials as listed on the Year Level Requirements List and/or Subject Requirements List as being provided by the scheme, when due for the previous school year.
25. Payment of the participation fee is to be made according to the payment arrangement option indicated by the parent on the Participation Agreement Form, or as otherwise approved by the Principal.
26. Failure to make payment of the participation fee by the designated payment date(s) will generate a reminder notice to the parent/carer from the school at intervals of 30 days overdue and 60 days overdue. The Principal may thereafter undertake debt recovery action for the overdue participation fee including, where warranted, referral to an external debt collection agency. This may result in extra costs being incurred by the parent.
27. Without limiting any other action the Principal may take in accordance with these terms and conditions, subject to 26 above, the Principal may withdraw a student’s participation in the scheme due to non-payment of a participation fee, and/or may require the return of items provided by the scheme for the temporary use of the student, and/or may withhold the giving of any further items under the scheme until the debt is paid.
28. The Principal may refuse to admit a student to the scheme where the student has not completed a Participation Agreement Form and returned it to the Administration Office. Arrangements will be made for the parents of students in Years 8 to 12 or of secondary education age to be paid the value of the Textbook and Resource Allowance for each of their eligible children.
29. Where participation fees are overdue, the Principal has the discretion to exclude a student from an optional extra-curricula school activity.
30. The scheme provides the entire package for the specified participation fee, and is not available in parts unless specifically provided for by the school in the fee structure.
31. All textbooks and resources provided for temporary use by the scheme remain the property of the scheme and shall be returned at the end of the course or school year or when the student leaves the school, whichever is the earlier. Where an item is not returned, the parent will be responsible for payment to the scheme of the replacement cost of the item. Failure to make payment may result in debt recovery action being undertaken.
32. Textbooks and other resources provided for permanent student use by the scheme shall be kept in good condition by the student. The school Administration Office shall be notified immediately of the loss or negligent damage to any issued item. Where an issued item is lost or negligently damaged, parents will be responsible for payment to the scheme of the replacement cost of the item. Failure to make payment may result in debt recovery action being undertaken.
33. The parent is responsible for supplying the student with any additional student materials that are not provided by the Student Resource Scheme, as indicated on the Year Level Requirements List and/or Subject Requirements List.
34. If a student enters the scheme after the first week of school, a pro-rata participation fee will apply, calculated on a 40-week school year basis.
35. If a student, having paid a participation fee, leaves the school through the year, a pro-rata refund will be made to the parent, calculated on the participation fee paid, less the cost of consumable materials and the replacement cost of scheme items that are lost or negligently damaged or not returned, plus the pro-rata Textbook and Resource Allowance calculated on a 40-week school year basis.
36. As the scheme operates for the benefit of participating parents and is funded solely from participation fees, resources provided by the scheme will not be issued to students whose parents choose not to participate in the scheme.
